To
The Secretary to Government,
Education Department,
Madras through the Inspector General of Prisons.

R.c. No.327 A2/51 dated 5/111951.

Sir,

Sub:- Govt. Arts college Mangalore- Purchase of furniture local purchase requested.

The principal Govt.Arts College Mangalore has submitted an indent for the purchase of furniture required for the newly opened Kannada course. The total cost of the indent is with in my sanctioning powers . The Principal reports that the Superintendent Central Jail Cannanore was addressed in the matter but he has stated that the articles cannot be supplied within five months.

The Principal therefore has submitted particulars in the form prescribed under G.O. No.4270 Home dated 8/8/39 for the purchase of furniture from outside the jail department (enclosed herewith).

In these circumstances I request that the Government may kindly permit the Principal to purchase the furniture from out-side the jail Department in view of the urgency.

Yours faithfully,

For Director of Public Instruction.

Tsn.5/11/

Particulars required as per Director's Proceedings RC No.292-I/50 dated 20-6-1950 in regard to purchase of articles of furniture in the open markets - Government College, Mangalore.

1. Name of the article of furniture	No. required	Estimated cost Rs
1. Tables with plain square legs with 2 drawers	1	60
2. Arm chairs	1	24
3. Students tables	60	1560
4. Students' armless chairs	22	286
		S.T. 70
		2000

2. Date on which the need for purchase arose

In July, 1951 consequent on the opening of new courses in Kannada under Part III of the Intermediate (Higher standard and lower standard), The tables and chairs are for the Assistant Lecturer in Kannada who has been newly appointed. Students chairs and students tables are for class rooms which are inadequately equipped.

3. Date on which the Jail Department and Karnataka Polytechnic were addressed 17-4-1951.

4. Gist of the reply from the Superintendent of the Jail Department and also of the Principal, Karnataka Polytechnic.-

The Superintendent of Central Jail informed this office that the articles could be supplied by the end of September if orders were placed in April i.e. within about 5 months. The Principal, Karnataka Polytechnic Mangalore intimated that the articles of furniture could be supplied in 6 months from the date of the order.

5. Urgency necessitating local purchase

The classes are in urgent need of furniture. The College hall is having no furniture. For every weekly meeting of the College Union and other association meetings held on Wednesdays, the furniture from the lecture halls and rooms are shifted to the hall and then reshifted back to the class rooms for holding classes the next day. Much labour and inconvenience are felt thereby. Hence the urgency of the supply.

The rates specified by the Central Jail, Cannanore are comparatively low on certain items but there is difficulty of transport of articles, partly by rail and partly by Motor Bus and including the conveyance charges the cost of articles will be high. The Karnataka Polytechnic is not prompt in their supply.

The local manufacturers namely the St. Joseph Asylum Industrial Workshop are able to supply us within about 6 weeks and their workmanship id good.
